## ICE FISHING

An exciting way to experience the Norwegian outdoor tradition is to go fishing for arctic char and trout on the ice covered lakes.

The silence of the Arctic nature will be our friend, and we will feel the tranquillity. The fire will provide heat and safety.

On a clear day you may well be amazed by flaming Northern Lights.

As our guest you will be taught the art of ice fishing, fishing equipment is of course included.

- 3h Ice fishing, pr. person **NOK 1,100**
- 4–5h Ice fishing, arctic meal included, prepared over an open fire **NOK 1,500**
